

ECOTOX Neonicotinoid Dataset

Summary

This dataset was prepared for Environmental Data Analytics (ENV 700) at Duke University, Fall 2026

The dataset contains data from studies on several neonicotinoids and their effects insects.

Database Information

Data were collected from the U.S. Environmental Protection Agency's ECOTOX Knowledgebase. More information can be found here: <https://cfpub.epa.gov/ecotox/help.cfm>

Data were collected using the Explore tool on the ECOTOX website (<https://cfpub.epa.gov/ecotox/explore.cfm>). From the Explore homepage, the following selections were made:

- Chemicals (left button)
- Neonicotinoids (check box)
- Explore Data (top right button)
- Select Terrestrial
- Species Group => Insects/Spiders (left dropdown menu)
- Publication Options => Publication Year from 2015 to 2026
- Update Search
- Export as -> Delimited

The delimited file was saved as `ECOTOX_Neonicotinoids_Insects_raw.txt`.

Data were accessed 2026-06-09.

Data Content Information

See the `ecotox-terms-appendix.xlsx` spreadsheet file for more information about column headers and codes.
